occasion)
visited it

stated sitting up with in OV

felt supported by BK + Laura
lived near SUTC in Forest Valley

- in 74 - things altered
got rid of independent people

Wright - I got surprised at what Bud says
I want to know my zafu at altar
Bud groups same that than god
talks with Peter

remember, Rosemary + Meg +isco
Margaret + name

I was scattered around, got followed while
+ made it work.

hear SR 1st time - a lot
of what I got not things he said
best way he said it - surprised
Sawing in section - saw
SR 1st - set seed down
Resulted for a second - spoon
pointed toward him - he
gently beached out and turned
it to his side - maybe
in a usual type but that was
a lot to me

at Lath house I studied used
by door - several a few
out - I fly dog
open - he looked at me,
show self, covered himself
w/ washcloth - a humble, quiet
quality

no - have, modesty - positive to SR
and neg to natural instincts

I was raised mother saying at
table family post would from outside
~~to~~ her father - from Irish immigrants
mother + names - clear who were adopted
father son of Swedish immigrants in
writings - said during depression - 1914

Sitting in MV going West in city
sunlight of 68 during people to was
want to do fall project period
hadn't been sitting long enough
I told SR ~~to~~ eager to go last
~~then~~ but then he & started
to tell me about his problems - talking
about whether go or stay at Eskow
- no matter who you are you get problems -
he made me want to see

So went to 69 fall project period
you (Dr) came for a few times
and showed us w/visa

Most of what I remember of a
visual nature

~~I~~ was across ledge when
SR + visiting teacher passed -
I gasped at they both
caught it and saved back.

Getting lanes out of creeds w/old
4 wheel drive + metal sled - SR
showing us how use levers
+ pivots - watching then saying
why not do it like this.

Someone coming home for lanterns

Ed & I got home May very much
so w/ all these & could feel
my upwelling esp in session
I - saying everyday I'm low
look forward to waist of food in bowl
the rum for ~~the~~ & R & fire
I got a delus to die down & keep bag
to say by fire then run to sleeping bag
people would go to gays before
the work meeting - darker gas
only certain spots where I'm shown.
That's where had meeting.

Day off - green cheese & date sandwich
seemed pretty exotic
Showered & lotion & hot - went to smell
& letter I'd it for a few days after
Maggie Kess got pretty past with
it after a chicken shut fight
& approval older students & Phil W. too
I am tired & tired working w/
Paul & co - enthusiastic + patient
Worked w/ Elden Tura on course
Not only great period but went to some
see JR and Simpson at Tass and
at the game last at Tass. Did not
go to Tass at all. Sent Caro

Grew grapes for 20 years - quit
3 years ago - wondering
whether doesn't cut you any & last
had to fulfill peasant part of nature.
