Dear Mr. D. Chadwick,

It was my pleasure to have met you and talked of late Suzuki-roshi, whom I respect very much.

Herewith enclosed are the photos taken at Rinpo; one of which please give to your friend.

I hope your visit to Japan to collect the information about Suzuki-roshi was successful and you will complete a nice work on him.

Looking forward to seeing you again.

Very truly yours,

  
S. ASAOKA
