Presnet: Chic, Graham, Claud, Mel, Sol, Mean, Irène, Pat, Reverends Suzuki & Ka gi

Report of Treasurer: \$24.00 in red, an improvement in trend of loss that has been going on since last July.

Old Business: The Library:

- (1) Brochures arrived: price lists of cards, etc.
- (2) Remodelling: no estimate yet; also not known how long it will be possible to occupy this building -- perhaps 4 or 5 years, so remodeling should not be ~~xxxxxxxx~~ too expensive.
- (3) Cabinet: Jean Ross volunteered to look in Second hand stores for inexpensive cabinet. As for best location for cabinet when purchased, following suggestions made and consented to by Rev. Suzuki along East wall of office, in meditation hall behind door, under bulletin board.

New Business: Question of having heater fixed because of (1) noise, and (2) furnace. Irene made arrangements by telephone ~~for~~ for ~~the~~ General Electric stores on Polk Street to come Monday, 12-14-64.

There being no further business, the meeting was adjourned.
