

No Beginning, No End

The Intimate Heart of Zen

“To have a loving teacher who supports the Sangha in this important work of transformation is a rare and wonderful gift. In the spirit of a true student, Jakusho Kwong shows his love and respect for his teachers and the appreciation he has for his teachings he has received from them. And in the spirit of a genuine teacher, Jakusho Kwong wholeheartedly shares these gifts with his Sangha and all of us.”

No Beginning, No End

The Intimate Heart of Zen

"If clouds were to appear in the sky, it would hardly disturb anything this is your mind, the essence of your self-nature without limitation, no beginning, no end. This is the radiance of your original mind." -Jakusho Kwong-roshi

"Jakusho Kwong-roshi practiced with Shunryu Suzuki-roshi for eleven years, until his death in 1971. This excellent book is the fruit of his steady, peaceful, and profound practice and teaching to his students. His clear and inspiring expression of the heart of Zen shows that the Dharma transmitted from Suzuki-roshi has been received and maintained by American Zen Master Kwong-roshi."

(Director of the Soto Zen Buddhism International Center and
Founder of the Sanshin Community)
