Dear Mrs Mitchell

I am so glad to tell you that I am arriving at Boston Airport at 5:30 PM Wednesday the 22<sup>nd</sup> by American Air Line.

My tentative schedule is to stay at your home for 2 nights, Wednesday and Thursday. I would like to leave about 9am., Friday, for Northampton and stay there 3 nights. I will come back to your place on the morning of the 27<sup>th</sup>, ~~Monday~~ Monday. I am not sure about my going to Wyoming until I call Mr. Mike & Trudy Dixon from your place, but I must come back to Los Angeles for the annual meeting of Japanese members of Sato School in North America.

I am so glad <sup>that</sup> you will arrange my transportation to Mrs Schalk's place at Northampton.

If it is convenient for you, I shall be very happy to give your members my lecture.

Of course this is my proposed plan, but you can discuss it with your members and if necessary with Mrs. Schalk.

Please give my best regards to your husband and Don too.

I shall meet you soon.

With Gassho
