spiritual quest

Reading - Watts - Nature, Man, + Woman
affected by loss of parents

Sonoma SF + couldn't find

prison arch - dropped out wardrobe
worked at airport + store MV + Sundance

got flyer at Bookstore Sausalito 4/68
had heard about Zen lectures

went to Ekoji (can't remember special
occasion)
liked it

started sitting with in MV

felt supported by Bk + Laura

Moved near SUTZC in Forest Valley

in 74 - things deteriorated

got rid of independent people

Dwight - I get so mad at what Bud asks
I want to know my safety at all times
Bud groups false more than good
talks with Peter

remember Steve Brown, Ed Meg Disco
Margot Diane

I was scatterbrained, but followed schedule
+ made it work.

hear SR 1st June - a lot
of what I got not things he said
best way he said ~~it~~ - ~~supposed~~
Sewing in session - several
SR 1st - set seed down
hesitated for a second - spoon
pointing toward him - he
gently reached out and turned
it to his side - maybe
I'm a visual type but that meant
a lot to me

at Lab house I stand up
by door - ~~several~~ a few
out outside - a fly on
open - he looked at me,
shame self, covered himself
w/ washcloth - a humble, human
quality

no - maybe, maybe - possible to SR
and neg to natural instincts

I was raised ~~mother saying~~ at
table Emily post would come out
~~to~~ her father from Irish immigrants
mother + names - ~~clear~~ ~~where~~ ~~where~~ ~~where~~ ~~where~~
father son of Swedish immigrants in
wartime - sailing during depression - LNU

getting in HV gang but in city
summer of 68 during people to us
wanted to do fall project period
hadn't been sitting long enough
I told SR ~~to~~ eager to go Tass
~~then~~ but when he & Fayal
to tell me about his problems - talking
about whether go or stay at Eg. How
much water who you are you get problems -
he made me wait a year

So went to 69 fall project period
you (Dg) came for a few times
and visited us w/ pizza

Most of what I remember of a
visual nature

I ~~was~~ was across ledge when
SR + visiting teacher passed -
I gasped & they both
caught it and saved back.

Get 2 frames out of creeds w/ old
4 wheel drive + metal sled - SR
showed us how use levers
& pulleys - watching then saying
why not do it like this.

Someone coming home for lantern

Julian + Rosie

man + woman + 2 kids
She was dark complexioned - he had a beard

Doug Bralle - Birmingham Alabama - Some
Ken Burman - night crew working
— good to have the union
Lots never got to Tass
Eamon went to Tor Lang Telku

Christian
practice

Remember food punts

Bob had feet of a pine every week
few times hit head on wall
hard worker - digging
we'd all be freezing if he didn't shut
to & sayahab

Bob ~~came by with~~ ~~with~~ - someone
froze & kept on him - Dan Welch
and Bob threw frozen piece behind
him or down the waste.
Paul Rosenbom told -

Remember people hopping over wet cloth
early in the field cause it was frozen

KL - self preserving individual - Ken B
+ I visited him at Napa - shock
treatment.

TS ✓

Ed & Gortchinsky May very much
so w/ all these & could feel
my upwelling esp in session
EL saying everyday I'm having
look forward to warmth of food in bowls
the run for ~~the~~ DR & fire
I got a delus to the power of sleep bag
to stay by fire than in to sleep bag
people would go to gays before
after work meeting - darker gays
only certain spots where I've shown
that where had meetings.

Day off - peachese & date earwicks
seemed pretty exotic
Showered & hiked & hot - everything smelled
& hated like it for a few days after
Maggie Kess got pretty pissed with
I after a children's shit fight
& appreciated older students, Phil W. too
John Ross: liked working w/
Paul Disco - enthusiastic + patient
Worked w/ older & w/ on dance
Not only pract period but went in summer
See JR in summer at Tass, and
oh, he gave let at Tass. Didn't
go to Dick's Mt. Sent Caro

Grew grapes for 20 years - quit
3 years ago - dentistry
mother doesn't cut you any & I cut
had to fulfill peasant part of nature
