

8/18/99

Amigo,
Thank for the Stamps - 26's the
limit!

Sorry I've been slow in answering
but I'm swamped with legal work. The
Attorney General has filed 2 Motions for
a More Definite Statement forcing me to Amend
my 2020w complaint two times.

They are trying to have it dismissed for
failure to state a claim, but so far I'm
still on the Docket. Maybe its referenced on
the internet?

Michael Newell v. Michael Moore

Civil Case # PC-99-01010

2nd Judicial Circuit - Tallahassee

Honorable Terry P. Lewis, presiding

Maybe you were at TASSAJA when
TRISAK sang man from LA Mancha at Sateji?
It was all bells, no bells and whistles! He
slaugtered the diction, but whipped the
wandering wall to a frenzy.

You heard that his students planted
microphones under his bed? So what?
he said, or something to that effect.
Quite different than a quivering dick
and he still runs the community toward
his golden jubilee. Chutzpa for what?
ma'pilit? Yo!

Not sure what you mean by ask for help for me on your Web Site. It's okay if you post my address and a small blurb, but I really don't need money or books. I read like a Lion for the most part.

I too have just quit drinking coffee - 4 cups per day. I quit for a couple of weeks early in the Summer, then started again when I got money. Now I'm just seeking space and finding it beyond coffee.

I've read all your (scrambled) letters. Feel like I have cobwebs in my brain. Your travel hysteria entered my cell of your Alphabet Soup.

It's so hot here I can barely write. Dropping sweat off my ears onto paper. Wrists and palms wet. No fans or circulation. Baptist gitback. Cruelty is the norm down here. Kindness is ex-cathedra, but it's here in small doses.

Just read Bill Graham presents which was quite a romp through the sixties. Like Bob Dylan said: It was a dream, and you were in it, and everyone was in it. I knew at least a third of the folks in the tale. Especially the Austin and Fillmore folks. Earthquake in Bolinas: what next eh? Easy does it on the Angina tip, Big dog. You're doing great, but you're not Jiv-
Sincible.

Hang in there, your bro,
RTH
